Surah Ash-Shura 42:23

Verily, Allah (swt) intends but to keep off from you (every kind of) uncleanness, O you the people of the house, and purify you (with) a thorough purification.

...say (O Mohammad): “I do not ask of you any recompense for it (the toils of prophetship) save love of (my) relatives” ...

I did not create the jinn and the humans but to worship Me.

Verily Allah (swt) and His angels send blessings on the Holy Prophet (saw). O you who believe, send blessings on him and greet him with a worthy greeting.

In the name of Allah (swt), the Beneficent, the Merciful

And say to him who disputes with you therein after the knowledge has come to you (O Mohammad): “come, let us summon our sons and your sons, and our women and your women, and ourselves and yourselves, and then let us humbly pray and invoke the curse of Allah (swt) on the liars!”

Always start the recitation of the Holy Qur’an with Ta’awwuz: “...seek refuge in Allah (swt) from Shaitan the accursed”
